100% MADE IN ITALY

Il "Made in Italy" fa la differenza e noi di Facchini lo sappiamo bene ed infatti, da oltre 55 anni, offriamo quello che coltiviamo sulla nostra terra. Freschezza e qualità sono le caratteristiche che distinguono i nostri prodotti da oltre 3 generazioni della Famiglia Facchini. Grazie a questa eredità e questo credo, siamo il Partner fidato per la fornitura di verdure pronte, dedicate alla piccola, media e grande distribuzione.

Made in Italy makes the difference and we know it very well: there are 55 years that we offer you what we cultivate on our heart. Freshness and quality are the strength's elements that distinguish our products from 3 generations. Our philosophy will define our profile and give us the energy to be your partner in supplying salads ready to be used.

Niente viene lasciato al caso o senza controllo, così come le regole delle certificazioni ottenute obbligano a lavorare. La tracciabilità dei prodotti è inoltre garantita da un sistema informatico che ci consente di risalire fino al tipo di semina e concime che sono stati utilizzati per ogni singolo lotto di merce.

Nothing is left to the chance and without control; all is done by the rules of the certification. Traceability of products is guaranteed by a computer system that allow us to go back till to the type of seed and fertilizer used for each batch of goods.
